

HP RP9 G1 Retail System Model 9018 (1LC51UP)

Overview

An exceptionally elegant all-in-one for retail and hospitality

Deliver a stylish and engaging experience to your customers with the modern, versatile HP RP9 Retail System, an All-in-One (AiO) that combines powerhouse performance with reliable engineering.

Make a big impression in a small footprint

Create a welcoming point of contact for your customers with a contemporary design that has edge-to-edge, 15.6" or 18.5" diagonal, 10-point multi-touch glass and optional integrated peripherals.[1]

Powerhouse performer

Deploy the system—available with 6th or 7th generation Intel® processors, M.2 storage, a bay for a 2.5" SSD or HDD, efficient DDR4 memory, and wired or wireless[1,2] network connectivity—anywhere you need a reliable, high-performance All-in-One.

Versatility for every demand

Customize each system for your specific usability requirements—in a kiosk, on a counter or a pole—with mounting and hardware options.[3] Choose your processor, operating system, peripherals[1], and more.

Designed and tested to work as hard as you do

Make a confident IT choice with a reliability-tested system that has built-in security and manageability, a stable 5-year lifecycle for consistent, staggered installations, and is backed by a 3-year limited warranty and optional HP Care Pack.[4]

Features

See and be seen

Show and share data on a cleanable, durable, sealed touchscreen that's stylish and functional with a 1366 x 768 resolution and choice of screen sizes, plus pivot for portrait or landscape mode. Use Pre-Boot Touch for easy access to BIOS functions.

Build your workspace

Complete your All-in-One with a range of hardware options, including the stand, associate display, and customer-facing displays, and integrated HP peripherals such as a barcode scanner, MSR, webcam, fingerprint reader, and more.^[1]

Integrated protection

Secure your system with HP SureStart, TPM, Intel® AMT, and optional client management software.^[5,1]

Choose your OS

Pick the familiar operating system that's best suited to your environment—preinstalled Windows 7, Windows 8.1, Windows 10 Pro, Windows Embedded 8.1 Industry Pro Retail, Windows POSReady 7 or Windows 10 IoT Enterprise.^[5,7]

Expand at your own pace

Add devices and displays when you're ready with a range of connections, and select wired or wireless networking.

Designed with the environment in mind

Reduce power consumption and help lower your total cost of ownership with an intelligent, energy-efficient design that is ENERGY STAR® certified and EPEAT® Gold registered.^[6]

[1] Optional features sold separately or as add-on features.

[2] Wireless access point and Internet access required.

[3] Mounting hardware sold separately; pole sold separately by third-party vendors.

[4] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See www.hp.com/go/cpc for details. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

[5] Some functionality of vPro, such as Intel® Active Management Technology and Intel Virtualization Technology, requires additional third party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on third party software providers. Microsoft Windows required.

[6] EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

[7] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

Specifications

Form factor	All-in-one
Chipset	Intel® Q170
Memory Slots	2 SODIMM
Internal drive bays	One 2.5"; Two M.2
Graphics	Integrated
Display	18.5" diagonal HD anti-glare touch screen (1366 x 768)
Minimum dimensions (W x D x H)	46.22 x 24.9 x 35.11 cm <i>(With ergonomic stand.)</i>
Minimum dimensions (W x D x H)	18.2 x 9.8 x 13.8 in <i>(With ergonomic stand.)</i>
Weight	5.6 kg <i>(Starting weight without stand. Exact weight depends on configuration.)</i>
Weight	12.3 lb <i>(Starting weight without stand. Exact weight depends on configuration.)</i>
Ports	1 audio-in; 1 audio-out; 1 DisplayPort™ 1.2; 1 RJ-45; 2 RS-232; 2 USB 2.0; 2 USB 3.0; 3 Powered 12 Volt USB; 1 Powered 24 Volt USB; 1 cash drawer
Expansion slots	1 M.2 2230; 1 M.2 2280 <i>(M.2 2230 slot for WLAN. M.2 2280 slot for SSD)</i>
Ports	3 USB for peripheral integration
Network interface	Intel® 8260 802.11ac M.2 with Bluetooth®
Power	230 W, up to 89% efficient, active PFC
Energy efficiency	ENERGY STAR® certified
Management features	Intel® vPro™ Technology capable (select models)
Environmental	Low halogen
Security management	Power-on password (via BIOS); Setup password (via BIOS); Fingerprint reader; HP BIOSphere with Sure Start; Security lock slot; Trusted Platform Module TPM 1.2; Hood sensor; Kensington Lock; Serial enable/disable (via BIOS); Automatic drive lock; Secure erase (via BIOS) ^[12,17]
